Dear Frank:-

Following are the changes telephoned from Augusta.

Page 3, first line -- Substitute "A nation's hope" for "Every nation's hope".

Page 11, third paragraph, -- to read as follows:  
"This free community and the full independence of the Eastern European nations could mean"....etc.

Page 14, 3rd line -- substitute "reconstruction" for "relief", and use no capitals in "world aid and reconstruction".

Page 16, fifth paragraph -- strike the word "They", and substitute "These proposals"

If you have the covering page where the President makes his bow to that particular audience, I don't think that need be transmitted. The speech only begins at "In the spring of 1953".
